

Teign Corinthian Yacht Club Cruising Diary Dates 2010

Colin Davies and I (Peter Harvey) will be co-ordinating this year the events, which are open to both sailing and power boat members. We have listened to what people want and hope to put forward something for every one, we will be doing the usual short coastal hops, but for those looking for a bit more adventure we will putting in some longer passages, crossing the channel, a night passage and nights at anchor.

As you will see there are also some passage races planned, These are designed for those who cruise for fun but do not normally race and will be light hearted events. Cruising boats taking part will be allocated a cruising for fun handicap which will be amended as required. There may also be races to the same destinations under IRC rules organised by the Racing sub committee.

There will be a briefing in the club house every Wednesday evening prior to the cruise and we will try to keep the web site up to date showing any changes to the programme that may be necessary due to the weather etc.

DATE	EVENT	CONTACT
