Sun 18 Dec	09:00	Sunday 8	09:21	4.8 m

Yellow shading indicates British Summer Time

The Icebreaker Saturday, Icebreaker Sunday, Spring Saturday, Spring Sunday, Summer evening, Autumn Saturday and Autumn Sunday series all have two races per day.

The Summer series have three races per day.

In all series the number of races to count are half the total number of races plus 1. Thus for the Icebreaker Sunday series there will be 14 races in total of which the 8 best results will count.

The Xmas regatta, Ship in a Bottle regatta, Autumn regatta and the Pursuit race are all-in handicap events.

On Safe Sundays a club safety boat will provide informal cover in the hours around HW

A separate sheet has a more complete of all on water Summer activities

\* These events may coincide with Sea Scout activities or cadet training
